Sibling Gatherings (January, February and March)

The children of Orval and Sarah (Altom) Goldsby try to gather each year together with their children, grandchildren, etc. In 2011 we gathered in January to celebrate the family. We also gather as siblings several times each year to make certain we never lose the family atmosphere mom and dad gave us. Gene and Marilyn, Jeff and Jan were unable to join us this year. They were missed but not forgotten! The photo was taken of a gathering at Les and Mary Baddgor's home in February 2011.

In March we had the joy of gathering with Margie's siblings. We are so fortunate to have families who want to gather and share. During Margie's recent surgery (more later) the prayer support of family and friends was amazing. Our thanks to all of you for your prayers and support!

Anniversary Celebration: Leavenworth, Washington (February)

We were gifted with a trip to Leavenworth, WA for our anniversary. We were able to go with some friends and had a wonderful time celebrating the beauty of the Washington state mountains in winter. The town was decorated from the holidays and the restaurants and shops were a blast. Our sincerest thanks to Ken & Lynn for gifting us and to Jim & Terry for traveling with us.
